

Standard Folding Table Product Factsheet

Standard Folding Table

profim

The Standard Folding Table is a conference table that is perfect for all kinds of events, whether big or small. It combines style and functionality and is available in numerous table tops of various shapes and sizes. This table offers flexibility, easy connectivity, folding, and stacking capabilities, while requiring minimal storage space.

Additionally, an adaptable transport trolley makes arranging tables in large spaces convenient and efficient. It is an excellent choice for auditoriums, canteens, or assembly halls

Standard Folding Table collection

Standard Folding Table. Make it easy.

The Standard Folding Table is a versatile conference table for all events, big or small. It's stylish, easy to connect, fold, and stack. With various table tops, it requires minimal storage space. An adaptable transport trolley makes arranging tables in large spaces effortless.

Features:

- Smart conference table that's perfect for all kinds of events, big or small.
- It's flexible, easy to connect, fold and stack, and requires little space for storage for example on a trolley.
- An excellent choice for auditoriums, conferences, assembly halls, schools or canteens.
- Table tops in various shapes and colours with matching table edge band.
- Tested in accordance with EN 15372.
- Möbelfakta certificated.

Quality

Profim provides a 5-year warranty for products used 8 hours a day, 5 days a week (single shift operation).

Certificates
